

Business Opportunity

Whatever your ambitions, the Baby On The Move team can help you realise them. Be it a need for a lifestyle change, flexible working hours, developing a territory, building a business that is all yours or simply to help expectant mothers make the right informed decisions to suit their lifestyle. The Baby On The Move team can help you get there.

Why Baby On The Move?

Baby On The Move is a well established Franchise System operating in New Zealand since 1998. We love the Baby On The Move brand and look for passionate and enthusiastic people to join our team. We see our relationship as a partnership and appreciate the unique opportunity to be able to grow Baby On The Move and make more New Zealand children safe.

What Experience Do I Need?

We expect our franchisees to be passionate about their business, have an outgoing personality and have great customer skills.

Is On Going Support Provided?

Definitely yes. After your initial training you will have on going support from our National Head Office Team as well as a Training Manager and Marketing Manager to assist you with any questions and issues you may have.

Is The Franchisor Team Committed To Each Franchisee Success?

Your Success is our success!! We will train you and continually support you to ensure that your business performs to its maximum. Of course the effort you apply to your business will also ensure its success.

If this sounds like the sort of environment you would like to work in, then please contact Fena who will be happy to discuss owning a Baby On The Move Franchise.
