

PRE-FOLD

- 1 2 piece system consisting of an absorbent pre-fold and an outer waterproof wrap
- 2 Liner can be added making 3 piece
- 3 Good basic cloth nappy
- 4 Easy to fold
- ★ Fast drying
- ★ Buy more inside 'nappies' and fewer covers/wraps
- ★ No need to change the outer wraps unless soiled
- ★ Generally cotton nappy with boosters available too

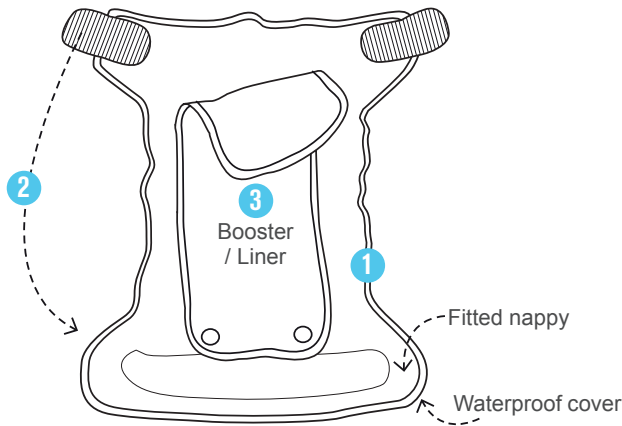

POP-IN / SNAP-IN

- 1 2 piece system consisting of absorbent snap in nappy and an outer waterproof wrap
- 2 Liner can be added making 3 piece
- 3 No folding needed - just snap in the nappy
- ★ Booster layers can be added
- ★ No need to change the outer wraps unless soiled
- ★ Buy more inside 'nappies' and fewer covers/wraps
- ★ Bamboo, Microfleece, Synthetic inserts plus Boosters

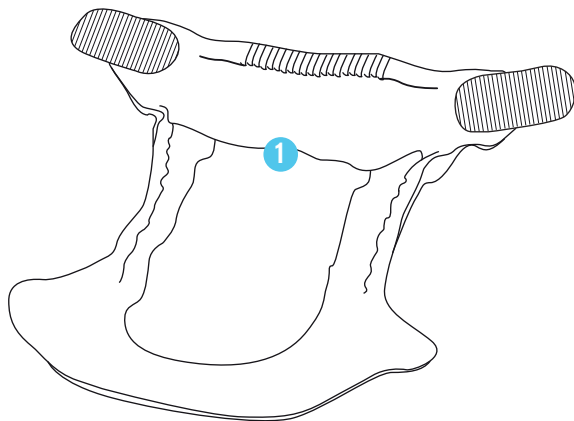

POCKET

- 1 2 piece nappy - waterproof cover with liner attached and pocket nappy to be inserted
- 2 No folding needed. Only need to pop insert inside nappy after washing
- ★ Synthetic
- ★ Quick drying
- ★ Different inserts available

FITTED

- 1 2 piece system- the inside nappy has elastic around waist and legs. The waterproof cover goes over the top fitted nappy and wrap/cover
- 2 No folding required
- 3 Boosters available
- ★ Double containment
- ★ Most absorbent for night time
- ★ Contains runny newborn poo well!

ALL IN ONE

- 1 1 piece system all components are attached
- ★ Very convenient - like changing a disposable
- ★ Popular with dads and daycares
- X Can be slow to dry so choose faster drying materials
- X Not absorbent enough for overnight
- X More expensive per nappy as getting both nappy and wrap in one
