Multi-function highchair

These highchairs are designed to be very versatile that evolves with your baby. You can attach a bouncer accessory (sold separately) to use from newborn then converts using a baby chair with tray then follow on to bring your child to the family table. Your child can comfortably sit at the dining table enjoying mealtimes and allows your child to climb in and out independently with the adjustable footrest.

★ Contemporary scandinavian design

1 Safety harness to keep your wee one secure

2 Removable tray

3 Adjustable footrest

4 Rounded seat and back give optimal ergonomics for comfort and cleaning

Wooden highchair

The perfect style statement, wooden high chairs look great alongside existing furniture. With adjustable tray settings, multiple seat and footrest heights allowing the highchair to grow safely and comfortably with your child. Their smooth lines mean fewer places for food to hide, which means less cleaning for you which can only be a good thing.

★ Solid beech

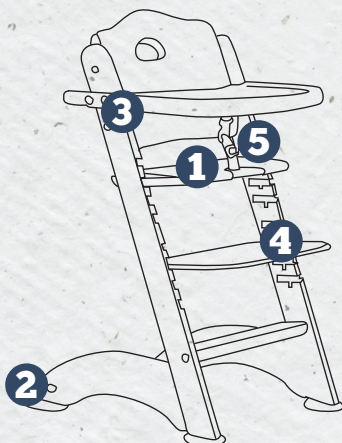

1 Padded seat liner

2 Sturdy base with leg grip

3 Adjustable tray settings

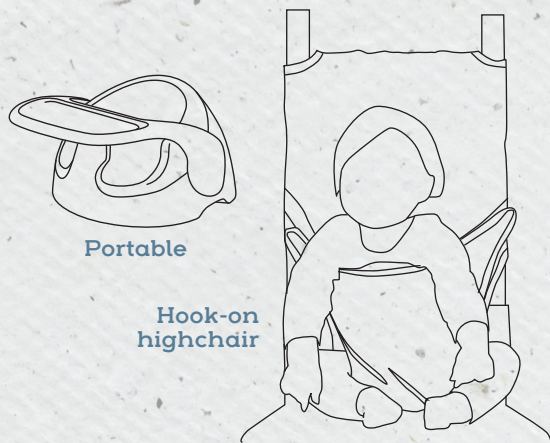

4 Multiple seat and foot rest heights

5 Safety harness to keep your wee one secure

Highchair Guide

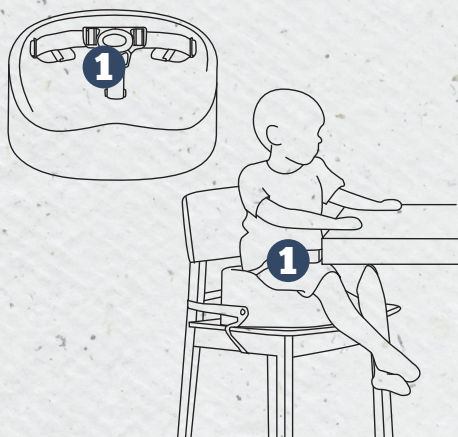

Portable or hook-on highchair

Great for munching on the move, portable highchairs come in a variety of different styles, from ones that strap to a chair, to fabric styles that simply slip over a chair. Ideal for travelling and generally cost less than standard highchairs.

- ★ **Cost less than standard highchairs**
- ★ **Foldable or packs flat for on the go!**
- ★ **Machine washable materials**
- ★ **Suitable for indoor and outdoor use**
- ★ **Safety harness to keep your wee one safe**

Feeding booster seat

These attach to a regular dining chair with the straps provided. They're lightweight and extremely portable, making them ideal for eating out or when travelling. Whilst they help your child sit comfortably at the right height for meal times, many models come with their own tray so they don't have to be used at the table.

- ★ **Perfect for toddlers who have grown out of a highchair**
- ★ **Available to be height adjustable to adapt to different table heights**
- ★ **Compact and easy to carry**
- ★ **Easy to wipe clean**
- 1 **Safety harness to keep your wee one safe**
